20th Anniversary Celebration TAKE A CHANCE FOR SENIORS

IADHS hosted our 20th Anniversary Take a Chance for Seniors Casino Night on Saturday, October 4, 2014. Our event reflected on the relationships we have developed with friends, families and the community over the past 20 years and the promise of new relationships and opportunities in the next 20 years. We set out to double our fundraising efforts this year with a goal to raise \$150,000. We are pleased to share that we raised just over \$133,000 to benefit IADHS programs. Thank You to all our Supporters!

This year, we recognized a man who epitomizes the spirit of volunteerism, **Honoree Dr. Gerald B. Sinykin**, who has for the past 20 years, dedicated his time and professional expertise as our founding Medical Director. Guests heard heartfelt testimony about **Dr. Sinykin**, and the impact he has made in the OC Medical Community and the lives he has touched by serving as IADHS' Volunteer Medical Director. Personal testimonies and sentiments were shared about a friend, leader, mentor, father figure, consummate professional and a man with an exceptional heart and great sense of humor!
